Future Business Leaders of America**

Make-A-Change For Make-A-Wish!

The Make-A-Change For Make-A-Wish project did well at the New Hampshire FBLA Fall Leadership Conference; to make one wish come true we need \$12,000; with the last fundraiser we were able to raise about \$3,000. I would like to continue this fundraiser to complete this goal. You may redecorate your bottle or decorate a new one, with the theme of “Simply The Best” in mind. The bottle will be judged at the State Leadership Conference and money will be collected. Please bring the money in check forms payable to Make-a-Wish. Points will be awarded for participating/ winning.
