

NH FBLA: JANUARY 2024

Preparing for SLC!

Two months until SLC! To prepare, we recommend for chapters to hold informational meetings and study sessions. These will be especially helpful for new members joining FBLA this year. Please email the state officers if your chapter is struggling to find preparation materials. State officer candidates should also begin building up their campaign by brainstorming state project ideas and developing a campaign theme. Again, please email for further questions!

Dates to Know

February 11 - February 17: FBLA week! Use this time to focus on state projects!

February 15: Payment for SLC registration is due

February 25: pre submitted documents/videos etc due to Ms. Antonucci

Thank you!

Our state officers have experienced great success with each of their projects this year.

From donating clothing to starting gardens to raising awareness of homelessness, your actions and initiatives have made significant impacts to be proud of. With one more month before participation sheets from each chapter are due, we want to sincerely thank everyone who has participated!
