

NH FBLA: SEPTEMBER 2023

FLW AT CAMP CARPENTER

We are hosting the 52nd Fall Leadership Workshop on October 19th at Camp Carpenter in Manchester. The state officers will introduce themselves and explain their state projects, the Browne Center from UNH will conduct leadership activities, and everyone will receive Peers not Fears Leadership Training. This is a great way for chapters to gather and learn more about New Hampshire FBLA's work this year!

NFLC

This year the National Fall Leadership Conference is being held in Providence, Rhode Island from November 10th-11th. New Hampshire FBLA will be heading down on a bus the morning of the 10th and will be returning the night of the 11th. There are only 42 spots left on the bus, so register soon! We hope to see you there!

STATE GOALS

New Hampshire FBLA has four goals for this membership year. To increase membership and participation, while also maintaining consistent communication. Regarding the increase of membership, we want to increase membership by 10% and reactivate 5 chapters. Regarding participation, we want to reach out to all local chapters once a month. Finally, we also want 10 candidates to run State Officer this year.

DECEMBER MEETING (ADVISOR'S WORKSHOP)

The yearly December meeting (NH FBLA Adviser's Workshop) is one of the three major New Hampshire specific FBLA meetings, and provides a unique opportunity for networking and getting access to new resources. This year, the meeting will be held on December 7th - the location is to be announced, with updates sent out as soon as possible. Though this meeting is the "Adviser's Workshop", Chapter Presidents and Vice Presidents should attend as well, to help gain greater understanding of topics covered. The meeting will also provide information for chapters on both the State and National level, so it is important and beneficial to attend for all.

STATE OFFICER PROJECTS

This year the state officers have focused on impactful ways to encourage success throughout FBLA and make positive strides in meaningful initiatives. The description of each project can be found on the NH FBLA website, as well as the contact information of each state officer. The state officers are always here for support and to answer any questions regarding the projects. The link to the projects can be found below.

WELCOME MS. TAYLOR

We are happy to have Ms Taylor join our team this year and we know she is going to take the future state officer teams far. Ms. Taylor is looking forward to growing the program and bringing new excitement to students learning about FBLA. She is encouraging more participation in NH FBLA for years to come. Ms. Taylor got involved with FBLA back in 2006 when she started teaching and eventually became a judge and chaperone for SLC. Ms. Taylor showed dedication to FBLA when stepping up for a retired advisor at Spaulding, and has grown their chapter from 19 to 42 people in the last year. In her free time she loves antiquing, and loves to let her artsy side show. Her six cats also get much love from her and her enthusiastic attitude that will be so beneficial to FBLA.

RUNNING FOR STATE OFFICER

As you all know, NH FBLA State Officer Team is not only a vital part of NH FBLA, but is the highest student-lead Office on the State Level. Being on the officer team gives the opportunity to positively impact NH FBLA members, and inspire people to do their best in the community. Having the ability to consistently thrive and learn more leadership skills, as well as thoughtfully guiding and interacting with others, is fulfilling in more ways than imaginable. If these qualities interest you, please visit the NH FBLA website to apply! Applications close January 31, 2024.

NHLC IS BACK!

Three years ago, as many of you know, Maggie Mae Cove created the New Hampshire Leadership Committee as a component of her state officer project.

This year, the New Hampshire Leadership Committee will continue to be run, hosted by Hannah Shortt.

Our team will be reaching out to chapter presidents soon to create a contact list. These meetings are recommended for local chapter officers and or a representative to participate in. Some of our topics will include discussing running for State Officer along with information about state and national conferences.
