

NH FBLA State Briefing

“Together We Achieve”

December Meeting

The December meeting was well attended with 53 advisers and presidents in attendance. Lots of great ideas were discussed and plans for the 2024 SLC are in full swing. This year, we were hosted by Concord Regional Technical Center in their lovely Gratitude Restaurant. Thank you to Shannon White and Chef Jayson for setting this all up. Please see attached notes from the meeting.

Registration for SLC is up and ready on Blue Panda. You may access the Quick Start Guide and Letter on the website. Let us know if you have questions or problems with Blue Panda.

It's getting close to the holiday break and NH FBLA would like to wish you all a restful and peaceful vacation. Then we hope you come back in January rarin' to go!
