

NH FBLA State Briefing

Our 52nd Year!

February 2, 2024

Together We Achieve

Happy Ground Hog's Day!

Registration for our annual State Leadership Conference is closed and the numbers are enormous! An additional 92 students and advisers from 24 chapters have registered this year!

FBLA Week is right around the corner - please be sure you take lots of pictures of your chapter in action - use the pictures for your FBLA Week Report and send copies to Ms. Taylor for the slide show. We are looking forward to hearing about all the different ways you celebrated!

A few reminders for SLC:

- Now that SLC registration is closed, **there will be a \$25 charge per event to change competitive events** - this charge must be paid before the event will be changed.
- All students will need a photo ID in order to compete in their event.
- All tests for the following events will be given at the students' home schools prior to the SLC. Details to follow:
 - Banking & Fin. Systems
 - Client Services
 - Help Desk
 - International Business
 - Management Info Systems
 - Network Design
 - Business Management
 - Entrepreneurship
 - Hospitality & Event Mgmt
 - Intro. To Event Planning
 - Marketing
 - Sports & Entertainment Mgmt
- Due to the increase in our numbers, we will be using the Expo Center main area and the smaller meeting rooms near the Expo area for competitive events. Please be sure students know where their event is taking place.
- Workshops: if students are late or miss their assigned workshop, it will affect the total Gold Seal Points of their chapter and may result in loss of medals.
- We have received some great questions for Caucusing - be sure to send yours in to M. Ayers or L. Taylor asap.
- Attached is the State Officer Newsletter for January. Enjoy!
- **Reminder: if you are taking an online test at SLC, bring a fully charged laptop or tablet that has a local account on the device created before bringing the device to the SLC. If the device requires active directory authorization and students haven't done that prior to arrival at the SLC, the device won't allow them to sign in as it won't see their school's AD and DNS servers.**
- Also attached is a draft schedule for the conference.
